Old Business:

John Hayes agreed to type the updates to the Comprehensive Plan.

Cellular Service- Larry Loveland will follow up with a second letter to three companies requesting that they respond to his previous letter.

Russ will contact Jason Wilkes of the fire company to see if they have an interest in the recycling program.

John Hayes would like to do something significant for the supervisors regarding the update to the EOP. Following discussion with Gene Raymond, John thought perhaps a mock emergency drill could be conducted to see how communication flows through the township. Al Chase from Little Meadows Fire Department agreed that communication would be very important. Larry agreed to read the EOP to look for place to start making updates.

As there was no further old or new business, a motion to adjourn was made by Larry Loveland, seconded by Russ Dewing, and approved. The meeting was adjourned at 7:32 p.m.

The next meeting is to be held on November 20, 2007 at 7:00 p.m. at the Warren Township Community Building.
