Warren Township is seeking funds for the construction of a basketball court and a compacted gravel walking trail around the perimeter of the community park. When completed, the trail may be used for all types of exercise—walking, biking, running,... Lighting and benches will be added for comfort and safety.

The Planning Commission will apply for a \$60,000 DCNR Grant in April 2010. As part of the grant requirements, the township must raise in-kind funding in the amount of \$20,000 .
